110, 100, 90 CMM

SALIENT FEATURES (PEDESTAL)

- Active 2 tone powder coated paint
- Powerful motor for steady performance
- Aerodynamically designed petal shaped aluminium blades for high air thrust & low noise
- 3 speed control
- Superior low voltage operation
- Telescopic height adjustment
- Heavy metal base for stable and vibration free operation

SALIENT FEATURES (WALL)

- Powerful motor for steady performance
- Aerodynamically designed aluminium blade for better air delivery & low noise
- 3-speed control
- Superior low voltage operation
- Pull cord mechanism for ON / OFF
- Up / Down tilt movement for changing air direction

DEZIRE

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
400 mm

Power Input
65 watts

Speed
1350 RPM

Air Delivery
70 CMM

COLOUR OPTIONS

White, White & Red, White & Blue, White & Green

SALIENT FEATURES

- International styling & look
- Powerful motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Unique pull cord system for smooth oscillation & speed control
- Soft hand tilting mechanism
- High air thrust for faster air circulation
- Built in Thermal overload protector

MERLIN I

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
400 mm

Power Input
65 watts

Speed
1350 RPM

Air Delivery
70 CMM

COLOUR OPTIONS

Black, White & Green, White & Blue, White & Red

SALIENT FEATURES

- International styling & look
- Powerful motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Unique pull cord system for smooth oscillation & speed control
- Soft hand tilting mechanism
- Efficient performer even at low voltage

MERLIN

HIGH SPEED

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
400 mm

Power Input
130 watts

Speed
2300 RPM

Air Delivery
85 CMM

COLOUR OPTIONS

White, White & Red, White & Blue, White & Green

SALIENT FEATURES

- International styling & look
- Powerful Hi-speed motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Unique pull cord system for smooth oscillation & speed control
- Soft hand tilting mechanism
- High air thrust for faster air circulation
- Built in thermal overload protector

MERLIN 12

HIGH SPEED

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
300 mm

Power Input
100 watts

Speed
2300 RPM

Air Delivery
85 CMM

COLOUR OPTIONS

White & Red, White & Blue, White & Green

SALIENT FEATURES

- International styling & look
- Powerful Hi-speed motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Unique pull cord system for smooth oscillation & speed control
- Soft hand tilting mechanism
- High air thrust for faster air circulation
- Built in thermal overload protector

MERLIN II

HIGH SPEED

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
400 mm

Power Input
115, 65 watts

Speed
2100,
1350 RPM

Air Delivery
85, 75 CMM

COLOUR OPTIONS

Maroon, White, Blue,

SALIENT FEATURES

- International styling & look
- Powerful Hi-speed motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Unique pull cord system for smooth oscillation & speed control
- Soft hand tilting mechanism
- High air thrust for faster air circulation
- Built in thermal overload protector

Also available in normal speed

MAGMA

HIGH SPEED

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
400 mm

Power Input
115, 65 watts

Speed
2150,
1350 RPM

Air Delivery
90, 65 CMM

SALIENT FEATURES

- International styling & look
- Powerful Hi-speed motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Unique pull cord system for smooth oscillation & speed control
- Soft hand tilting mechanism
- High air thrust for faster air circulation
- Built in thermal overload protector

Also available in normal speed

ORNATE

BLDC
TECHNOLOGY

2 YEARS
WARRANTY

TECHNICAL FEATURES

NEW ARRIVAL

Sweep
400 mm

Power Input
35 watts

Speed
1400 RPM

Air Delivery
65 CMM

SALIENT FEATURES

- International styling & look
- Powerful motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Efficient performer even at low voltage
- Soft hand tilting mechanism
- Smart remote
- Runs 3 times more on inverter

PALOMA

HIGH SPEED

2 YEARS
WARRANTY

TECHNICAL FEATURES

Sweep
300 mm

Power Input
78 watts

Speed
2500 RPM

Air Delivery
60 CMM

SALIENT FEATURES

- International styling & look
- Powerful Hi-speed motor for steady performance
- Aerodynamically designed blades for better air delivery & low noise
- Unique pull cord system for smooth oscillation & speed control
- Soft hand tilting mechanism
- High air thrust for faster air circulation
- Built in thermal overload protector

FRESHAIR
FANS

VENTAIR

1 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
150, 200, 250 mm

Power Input
46, 38, 38 watts

Speed
2650, 1350, 1350 RPM

Air Delivery
250, 500, 750 CMH

SALIENT FEATURES

- Uniquely designed ventilation fan for bathroom, small kitchen & restaurants
- Automatic shutter opening when fan is switched 'ON'
- Dust & Insect protected even when the fan is switched 'OFF'
- Highgrade thermoplastic polymer for blade and molded cabinet with louver
- Modern design and look

POLO

HIGH SPEED

1 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
100, 150, 200 mm

Power Input
15, 25, 35 watts

Speed
2600, 2050, 1350 RPM

Air Delivery
140, 275, 400 CMH

SALIENT FEATURES

- Elegant looks with powerful motor
- Inbuilt front safety grill Highgrade thermoplastic polymer for blade and molded cabinet with louver
- Light weight and rust proof high quality engineering plastic body of ABS
- Easy to install on glass or wooden panels
- Automatic shutter opening when fan is switched 'ON'
- Dust & Insect protected even when the fan is switched 'OFF'

MARATHON

HEAVY DUTY

1 YEARS WARRANTY

TECHNICAL FEATURES

 **Sweep**
230, 300, 300 mm

 **Power Input**
50, 75, 55 watts

 **Speed**
1420, 1400, 900 RPM

 **Air Delivery**
850, 1710, 1145 CMH

SALIENT FEATURES

- Fitted with double sealed ball bearing
- Heavy duty motor for longer life
- Metal blade fitted on aluminium hub
- Powder coated metallic finish

KHAITAN FRESHAIR

 HIGH SPEED

1 YEARS WARRANTY

TECHNICAL FEATURES

 **Sweep**
230, 300 mm

 **Power Input**
65, 65 watts

 **Speed**
2400, 1400 RPM

 **Air Delivery**
950, 1050 CMH

SALIENT FEATURES

- Vibration dampening PVC beading fitted on frame
- Sleek spiral shape plastic guard
- Heavy weight arms and mounting ring
- Hi-speed motor

POLO DLX

HIGH SPEED

1 YEARS WARRANTY

TECHNICAL FEATURES

 **Sweep**
150 mm

 **Power Input**
25 watts

 **Speed**
2050 RPM

 **Air Delivery**
275 CMH

SALIENT FEATURES

- Modern design and look
- Low noise level
- High grade thermoplastic polymer for blade and moulded cabinet with louver
- Removable screw less front for easy clean
- Uniquely designed ventilation fan for bathroom, small kitchen & restaurants

KHAITAN FRESHAIR +

HIGH SPEED

1 YEARS WARRANTY

TECHNICAL FEATURES

 **Sweep**
150, 230, 300 mm

 **Power Input**
42, 60, 75 watts

 **Speed**
2400, 2500,
2200 RPM

 **Air Delivery**
300, 950, 1500 CMH

SALIENT FEATURES

- Vibration Dampening PVC beading fitted on frame
- Heavy weight arms and mounting ring
- Sleek spiral shape plastic guard
- Hi-speed motor

EURO AIR +

1 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
230, 300 mm

Power Input
36, 48 watts

Speed
1380, 1350 RPM

Air Delivery
700, 1050 CMH

SALIENT FEATURES

- Metal body & blade
- Sleek & stylish design
- Silent fan
- Corrosion resistant coating on blade & body

VENTO

1 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
150, 200, 250 mm

Power Input
46, 38, 38 watts

Speed
2650, 1350, 1350 RPM

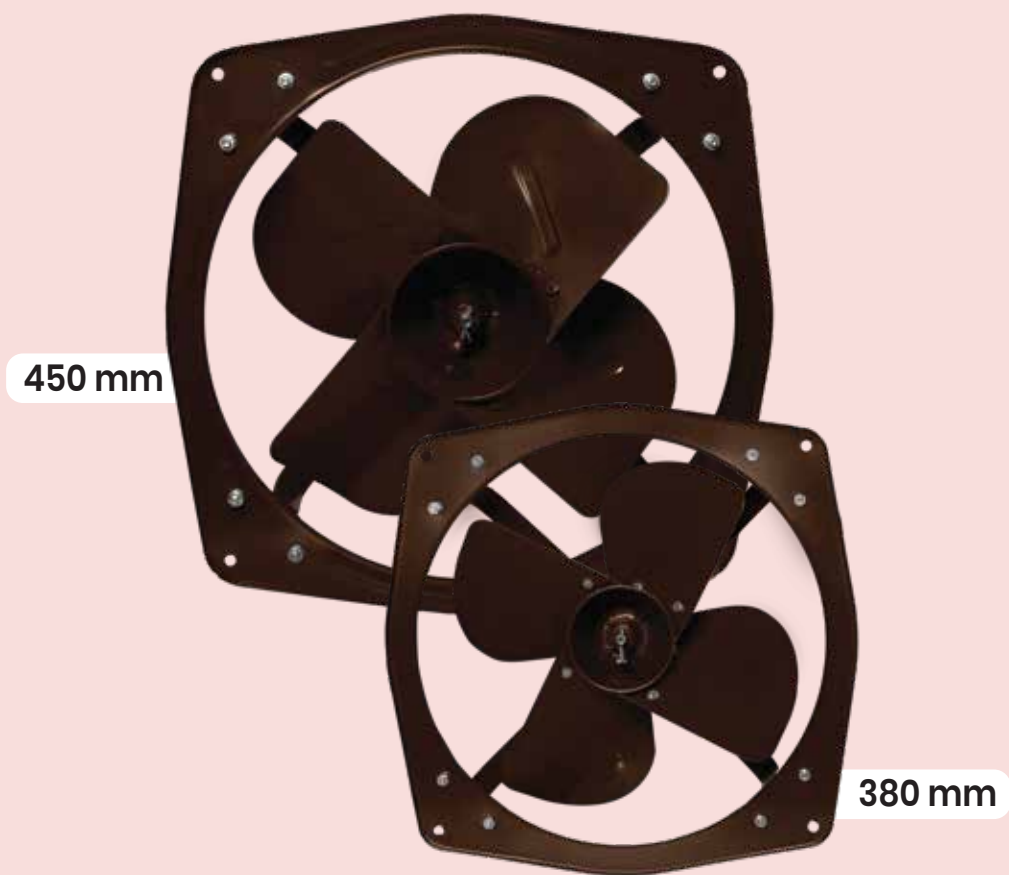

Air Delivery
250, 500, 750 CMH

SALIENT FEATURES

- Uniquely designed ventilation fan for bathroom, small kitchen & restaurants
- Automatic shutter opening when fan is switched 'ON'
- Dust & Insect protected even when the fan is switched 'OFF'
- Highgrade thermoplastic polymer for blade and molded cabinet with louver
- Modern design and look

HD-EXHAUST FANS

1 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
300, 380, 450, 600,
900 mm

Power Input
90, 160, 410, 550,
1300 watts

Speed
1400, 1400, 1400, 900,
700 RPM

Air Delivery
1710, 3250, 6120, 9400,
25,200 CMM

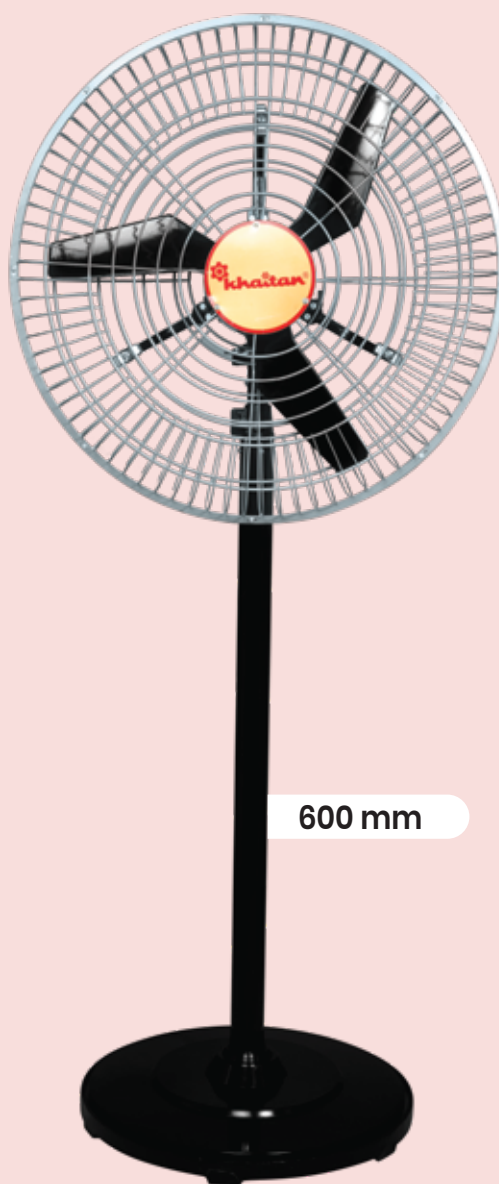

SALIENT FEATURES

- Dynamically balanced blades.
- Smooth and vibration free operation
- Turbo profile blades for higher air delivery
- IP-55 protection
- Rigid frame and rubber mounting for silent operations

Also Available in 12, 24 & 36 inches

AIR CIRCULATOR FANS

OSCILAIR

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
450, 600, 750 mm

Power Input
100, 200, 275 watts

Speed
1400 RPM

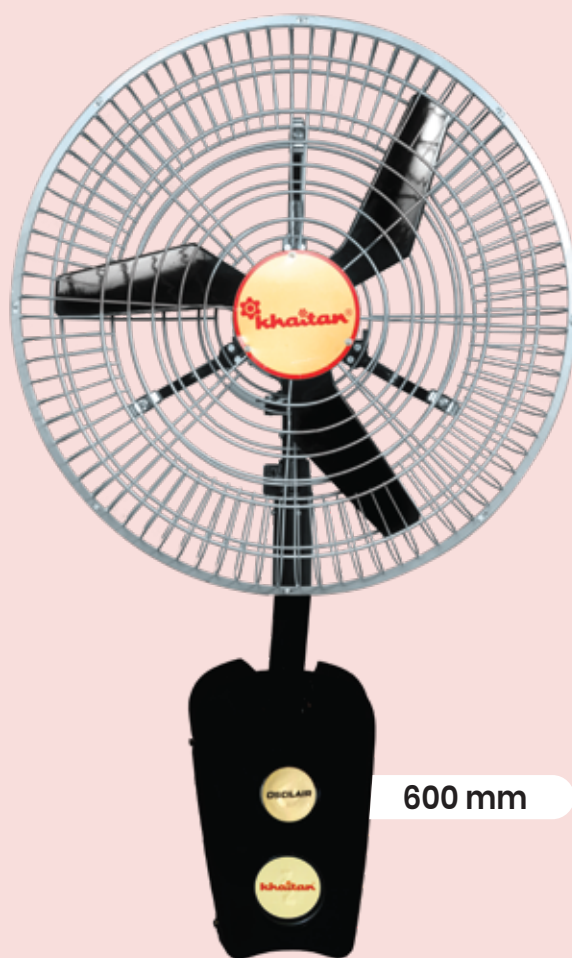

Air Delivery
150, 270, 370 CMM

SALIENT FEATURES

- Heavy duty motor for efficient operation
- Aerodynamically precised balanced blade for higher air delivery
- Double ball bearing for smooth operation
- Sturdy base for better stability
- Smooth Oscillation
- 3-speed control (450 mm)

Also Available in 18 & 30 inches

OSCILAIR

2 YEARS WARRANTY

TECHNICAL FEATURES

Sweep
450, 600, 750 mm

Power Input
100, 200, 275 watts

Speed
1400 RPM

Air Delivery
150, 270, 370 CMM

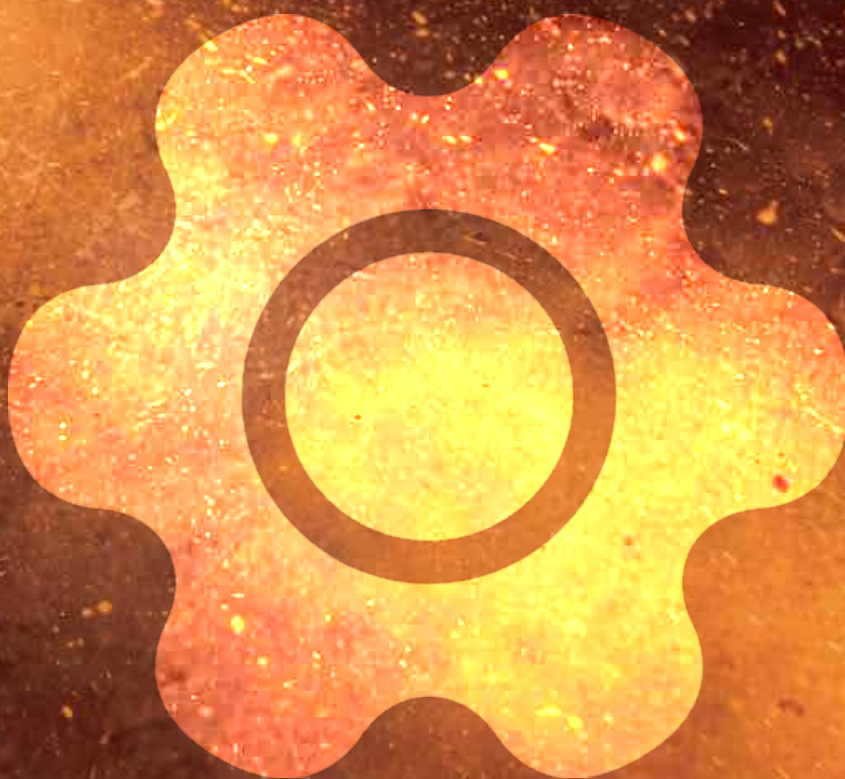

SALIENT FEATURES

- Heavy duty motor for efficient operation
- Aerodynamically precised balanced blade for higher air delivery
- Double ball bearing for smooth operation
- Smooth Oscillation
- 3-speed control (450 mm)

Also Available in 18 & 30 inches
